PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Ballot propositions authorizing the issuance of bonds and the levy of a Special Tax to repay the bonds have previously been approved by your Board for each County Community Facilities District (CFD). Under State law, each year your Board is required to approve the levy of the Special Tax in the amount sufficient to provide for the debt service on the bonds and to pay administrative expenses.

The following details the total tax levy for each district and describes the impact on property within each district.

CFD No. 1 will require a total tax levy of \$562,717. The amount applicable to developed land will be apportioned in a range of \$103.75 to \$358.55 per parcel. The amount applicable to undeveloped land will be apportioned in a range of \$205.75 to \$33,647.31 per parcel.

CFD No. 2 will require a total tax levy of \$788,610. The amount applicable to developed land will be apportioned in a range of \$990.14 to \$1,337.00 per parcel.

CFD No. 3, Improvement Area A, will require a total tax levy of \$1,455,619. The amount applicable to developed land will be apportioned in a range of \$675.72 to \$1,756.38 per parcel. Improvement Area B will require a total tax levy of \$3,285,289. The amount applicable to developed land will be apportioned in a range of \$1,162.39 to \$2,238.87 per parcel. Improvement Area C will require a total tax levy of \$750,000. The amount applicable to undeveloped land will be apportioned in a range of \$6,719.22 per acre.

CFD No. 4 - The special tax obligation for Improvement Areas A and B were refunded by the City of Calabasas, and are no longer under the administrative control of the County. Improvement Area C will require a total tax levy of \$86,037 which will be levied on undeveloped property at a rate of \$7,145.93 per acre.

CFD No. 5 will require a total tax levy of \$792,025. The amount applicable to developed land will be apportioned in a range of \$1,291.96 to \$1,740.48 per parcel.

CFD No. 6, Improvement Area A, will require a total tax levy of \$352,118 which will be levied on developed property at a rate of \$5,772.43 per parcel. Improvement Area B will require a total tax levy of \$203,293 which will be levied on undeveloped property at a rate of \$177.80 per acre.

CFD No. 7 will require a total tax levy of \$656,828. The amount applicable to developed land will be apportioned in a range of \$1,736.70 to \$2,719.05 per residential parcel.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goal of Organizational Effectiveness through collaborative actions among County departments and other governmental jurisdictions. In addition, it supports the Strategic Plan Goal of Fiscal Responsibility by utilizing public-private partnerships for the investment in and development of regional benefit public infrastructure in the County.

FISCAL IMPACT/FINANCING

All expenses, including bond payments are the legal obligation of the individual districts. There is no financial recourse to the County.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Elections were held for each district as follows:

CFD 1 and 2	1988
CFD 3	1989

The debt service on the bonds is paid from the proceeds of the Special Tax authorized by the ordinances. The Special Tax is computed for each parcel within a district based on the Rate and Method of Apportionment that was approved for each CFD.
